*"As I looked at one of Eva's healing art I could feel the energy of it coming off the page... I found the tears started to prick the back of my eyes and my heart began to swell. I have never reacted to a piece of art in quite this way before.*

*I asked Eva the meaning of the piece... it was something very relevant to me. Eva had somehow managed to incorporate a huge amount of healing energy into her work and as I looked at it I was able to receive it. A truly unique experience and testament to the power of her work."* Lesley, Oxfordshire, UK
